Subject: Casework From Old Districts -- Accepting Casework
Importance: High

We are now accepting casework from veterans who had pending casework with Congressman Dunn and Congressman Lawson. These two offices have not transferred their cases to our office. We are of the impression that there are approximately 60 total cases to be transferred. If you know of a veteran or hear of a veteran who had casework pending at one of these two offices, please refer them to me or let me know. We do NOT want them to fall through the cracks during this transitional period.

It is Congresswoman Cammack's desire to work these cases in a timely and professional manner and we will do what we can to ensure a positive outcome if at all possible.
